

CourseCast of the Week – May 31, 2011 – Episode 207

Key Topics:

- New Ways of Paying
- News Briefs

Talk About It:

1. What is Google's mobile payment system called? What type of software does the system use? How will users use this software? What is stored in Google's payment system? (New Ways of Paying)
2. Who filed a lawsuit against Google? Why? Who else besides Google is developing new ways of paying? (New Ways of Paying)

Explore Technology:

1. Research the technology behind one of the new mobile payment systems introduced in today's CourseCast. List and describe three technology items that support this endeavor. Be sure to cite your sources. (New Ways of Paying)
2. Research the Group of Eight. List three items about this event that you didn't know. Be sure to cite your sources. (News Briefs)

Think Critically:

1. If you were in charge of PayPal, what would you create to stay ahead of the others entering the mobile payment system business? (New Ways of Paying)
2. If you were invited to the G8 conference, what would you share about Internet Regulation? (News Briefs)
